Tournament

2/7: PTO Meeting

2/7 -18: RVM Art Show

2/11: Feb. PBIS/Valentine
Dance

2/14: No Classes

Vikings! It's COLD Outside

As the temperatures in January drops the need to be warm heats up!. Ruby Van Meter staff and students were fortunate to have two opportunities this month to prepare for the cold.

Health Services Supervisor Missy Abbot received a donation of hats, gloves and mittens from St. John's Lutheran Church. All were new, and some were even hand-made! Teachers contacted the office with the names of learners they thought might enjoy the new items and Missy stopped by RVM to present them to the students.

Also Lissa Peak, a private nurse for one of our students, organized a fundraiser for Ruby Van Meter. Happy Harmony Mittens donated 75 pairs of mittens with each set made from of old sweaters with fleece lining. Staff were offered the opportunity to purchase the mittens with almost \$1500 dollars raised going to the Ruby Van Meter Booster Club. There are cute mittens remaining if anyone is interested - contact Tina Ballou at 242-8220 or tina.ballou@dmschools.org. Stay warm Vikings!

Above left, sweater mittens for sold for Booster Club fundraiser! Above right, Health Services Supervisor Missy Abbott helps Shea Reeves pick out a pair of warm mittens!

Reminder -

We need your help.... RVM Music classes are collecting clean, empty galloon milk jugs to make an igloo! Send them to school with your student and we will start building!

Thanks for your help with their fun winter project!

From Tony Glass - Transition Teacher/Work Experience

Our Transition students at Ruby Van Meter School help our building out in many different ways. We try to help develop our students' work-related skills, so they are better prepared for life after school and for their future life after Ruby Van Meter. We work to develop multiple skills, such as proper attire, attitude, interactions with staff and peers as well as teaching for future independence. Some of our jobs our students do around our school is delivery of backpack lunches to some of our younger students, cleaning windows and sanitizing door handles and water faucets. We also deliver mail from the Ruby North building to Ruby Van Meter, help our peers with basic jobs such as lunchroom cleaning of tables and chairs and even keeping our rooms clean. We also help with recycling and shredding of paper and recycle bottles to cash in for future school projects. The experience our students receive from here help make them for ready for a career in their future.

Transition Workers, from left - Zech Kirby, Jordan Robinson, and Venasi Ishiabwe

If you have specific questions, contact Tony Glass at 242-8220 or Anthony.glass@dmschools.org
