Making Winter Fun

Music and Structured Recess focused on winter activities for January. Music was learning about how to dress, play and feel things in the winter while singing songs and doing activities. Indoor Recess, focused on books related to winter while using our core words 'play', 'make' and 'want'. We also talked about setting goals and how you can do anything if you try a different way to do it! We played with sensory boxes made with ice, snow, magic cloud dough and other fun activities to go along with our stories.

Music and Recess combined for 2 days to make homemade ice cream in a bag! Each student made their own ice cream and everyone got to taste it! We also read the story Reba Likes Ice Cream and sang noodle snow songs.

Music and Recess created wonderful ways to learn about winter and have fun!!!
